

THE RANDOLPH JOURNAL.

THURSDAY, APRIL 6, 1865.

LOCAL NEWS.

COL. H. H. NEFF, who has been dangerously sick with fever, is improving.

THE North East Indiana Conference, of the M. E. Church, meets at Kendallville, Ind., next week.

Judge James Brown and wife, James Ennis, and John Davis, have all been sick for some days, but are all improving.

MR. MONKS was buried by the F. and A. Masons. There were several members from Farmland and Lynn present.

THE heaviest rain which has fallen for years, fell on last Thursday. The whole face of the country was covered with water.

WILLIAM NIXON died on Tuesday, the 4th inst., of fever, after an illness of several weeks. He was aged about 35 years.

REV. MRS. WRIGHT has returned home from Philadelphia, where she had been to visit a sick brother, who died while she was there.

LIEUT. COL. JOHN C. TAYLOR, of the 84th Indiana, has resigned and returned home. He was in our office Monday. He is in the enjoyment of good health.

MR. DUCK will remove to Galesburg, Illinois, in a few days. We are sorry to lose so good a citizen. We wish Mr. Duck success in business, wherever he goes.

THE Richmond Telegram says "a gap eighty feet wide, in John Calvert's mill-dam, was washed out. This is equal to the Irishman 'digging out a hole.'"

ELISHA PEACOCK died of lung fever on last Saturday. The funeral services were performed on Sunday. He was a very worthy and highly respectable young man.

REV. CHARLES WRIGHT will leave for Conference on next Monday or Tuesday. We believe the people are well satisfied with his ministrations for the past year.

ELWOOD HATT has sold his property in the South Front of Winchester, to S. B. Bradbury, for \$1,700. Mr. B. will take possession of it on the first of May, and remove his shop there.

WE ARE thankful to our good friends about Jericho, for a list of a dozen subscribers, who say they are determined to sustain the Journal if a certain business man did withdraw his patronage.

THE WHEAT between this point and Dayton, Ohio, a distance of fifty-seven miles by rail, looks well. Late sowing does not promise well—besides a few old, exposed fields, look somewhat spotted.

GEO. STEVENSON brought us several pounds of the finest maple sugar we ever saw. Mr. S. is the largest manufacturer in the county. We are very much obliged to him for his generous bestowment.

WE SEE it stated in the Richmond papers that Dr. S. S. Boyd, of the 84th Indiana, has resigned, on account of ill health. The Dr. has not been with the Regiment since the battle of Rocky-Faced Gap.

THE firm of Tripp & Lawrence have associated with them, in the grocery business, Mr. W. Mackey, of New Paris, Ohio, who has just become a citizen of Winchester. This house is becoming very popular.

WE ARE under obligation to W. A. Hamilton, of Lynn, for exertions on behalf of the Journal. Mr. H. is a young gentleman of energy. He has engaged in the goods trade, with Mr. Powell, with every reason for success.

WE WERE glad to receive a call from our friend, J. H. Alvey, of the house of Donaldson & Carr, of Indianapolis, the other day, and to learn that he was meeting with good success in his business, and hope he may continue to do so.

J. M. THOMAS, who was wounded in the battle of Lost Mountain, has formed a co-partnership in the grocery business, with his father, Mr. E. Thomas. The firm will now be E. Thomas & Son. We prophecy this will be a popular house.

SALT CRICK has been on a bust. Our friend Jenks says the barrel of whisky on which it got high. It is usually a steady, old-maidish kind of a stream, and does not, as a general thing, cut up any pranks; but last Friday it was outside of its banks. It has not been on such a spree since 1857.

SIDE-WALKS.—Now is the time to improve side-walks and gutters. It indicates enterprise to see good walks before a man's property. Every improvement made in, or about a house, to beautify and adorn it, will add to our happiness, which lengthens out the thread of life.

MESSERS. KNEISLY & MCINTIRE, of Dayton, Ohio, are turning out very large amounts of groceries to customers in Indiana and Ohio. They ship several thousand dollars worth of groceries each day. They have built up a very heavy wholesale trade in Dayton. They are gentlemen, and correct business men.

THE ELECTION.—There was no opposition on Monday to the ticket presented by the Unionists, as to Township Trustee and Constables. Thos. W. Kizer was elected Trustee, and for Constable, John C. Peelle and M. F. Porter were elected for the town, and Amos W. Peacock for the east and Addison Harris for the west district. These gentlemen are all qualified, and so far as they have been tried, have given satisfaction.

TEACHERS' ASSOCIATION.—We trust no teacher in the county will fail to be present at the meeting of the Association, next Saturday, as it promises to be one of more than usual interest. Assurances have been given by most of those whose names are on the programme of exercises, that they will be present, and prepared for the occasion, and we hope to see all there, as we believe it will well repay any teacher to attend.

INJUSTICE.—Some person circulated the report that Thomas L. Scott was a Copperhead. We say that the man who did so was ignorant or dishonest, for no man in Randolph county has done more for the Union cause than he has; and we say it is a kind of electioneering that should be frowned down. The Central Committee and all else endorsed his Unionism, and why any man should have the hardihood to put in circulation such a falsehood, can only be accounted for on the score of dishonesty.

DAYTON AND UNION RAILROAD.—This road is now doing a fair business. We could wish to see it do a heavier business, for there is no more gentlemanly officers in the West than on this road. Mr. Stinson, the general superintendent, while we have not a personal acquaintance with him, we uniformly hear him spoken of highly. While at Dayton we made the acquaintance of J. H. Sharp, the conductor of the express train. Mr. S. is uniform in his gentlemanly deportment to travelers, which is a fine characteristic of a good conductor. We recommend all to travel over the Dayton and Union road to Dayton, Cincinnati, and Columbus. You arrive at Columbus three hours sooner than on any other route.

EMILY, daughter of Thomas and Rhoda Marshall, died April 1st, 1865, aged 12 years; disease, typhoid fever. Emily has exchanged a world of sorrow, trial, and disappointment, for one pure, holy and glorious. A.

WASHINGTON TOWNSHIP. Charles Powell was elected Justice of the Peace, of this township. Tilmias Hishaw was elected Constable of this township.

This township cast her vote for Wm. E. Murray for Auditor. S. Seamans, who fell in defense of the old flag, was buried at Bloomingsport on the 26th of March.

Calvin Engle of the 2d Indiana Cavalry, who was a Southern prisoner, has returned. J. H. STINE.

FARMLAND. The continued rains have prevented the farmers from doing much plowing.

The season was such that a very small amount of maple sugar was made in this vicinity. At present there is a prospect of an abundant crop of all kinds of fruit. The peach trees that survived the winter of 1864, are apparently loaded with bloom.

James A. White has removed to Iowa. He left a few days ago, in a chartered car.

Joel Thornburg sold his entire stock of goods, to D. Robins, of Economy, Wayne county, who takes possession immediately. Mr. Robins is a good business man, and merits a liberal patronage, which he will no doubt receive.

John A. Moorman has taken out letters of administration on the estate of Elijah E. Harbour, deceased.

Riley Woodard's wife was buried a few days ago—disease, chronic.

Samuel C. Burris has a child very dangerously ill.

The general health of this vicinity is improving. A good deal of anxiety is felt here as to the result of the impending conflict between the two great armies in Virginia and North Carolina, made the more intense from the fact that many in this community have husbands, fathers, and sons in that department.

John A. Moorman has removed his family to Farmland. ICHABOD

B.'s insolent letter, we, the undersigned, therefore send you our names, with \$1.50 each, for which you will please send us the Journal for one year from this date.

Powell & Hamilton of Lynn, Ind., are doing a good business. They are live men and have a well selected stock of goods—everything the farmers desire. They buy all kinds of produce and pay the highest price.

In another column will be found the advertisements of Messrs. Donaldson & Carr, and Messrs. Evans, Dawes & Co., of Indianapolis. Those engaged in the trade will do well to give them a call as they are reliable, clever men to deal with.

Elliot & Ball of Lynn, Ind., are good business men, and will take pleasure in waiting on customers. Their stock consists of such goods as the country demands. They will receive all kinds of produce in exchange for goods.

Jeff. Quick's new stock of Boots and Shoes are selling very fast since prices have come down. He now has some of the finest styles in the market. One pattern of ladies' shoes with buckles on the sides are very fine. This is the latest style.

John D. Carter is still playing his pranks in the Goods market, buying when everything is down and selling at the lowest price. He has just been receiving a large stock from New York, and more coming. Prints at 15 cts.; Delaines at the same ratio. Now is the accepted time at Carter's.

Dr. J. W. Wilmore is now doing good business. Persons are coming to him for work from all directions. He gets the most flattering assurances of the high regard in which he is held as a dentist. No one who has got him to do work has ever, to our knowledge, been dissatisfied.

WE TAKE pleasure in calling the attention of the people of Randolph county to the following recommendation, by John Cooper, of Mr. Nathan T. Butts, as a teacher. Mr. B. is opening a graded school at Mount Zion:

"I regard him a thorough scholar as far as he professes to know, I would say that I find few teachers more thorough. He is also, in my opinion, a thorough practical teacher."

JOHN COOPER.

S. B. Bradbury offers his house and lot in the North Front of Winchester for sale very cheap; call quick if you want a business house on the public square.

Edmund Thomas & Son are, by constant politeness and liberality, gaining customers. They are now doing a heavy business; their stock is as good as any in the market, and they say that no living man shall undersell them—so we expect good times now. Give them a call.

Henry Ludy & Co., are increasing their trade. They are determined to do the right kind of business with the people. They expect to deal with all fairly, selling the best of articles at as reasonable a price as can be furnished by any. They solicit all to call and give them a trial.

J. S. Way & Co., have been receiving a new stock of Groceries which they now offer lower than ever. The way to find out how low Groceries are, will be to call at this reliable Grocery House. No one will undertake to sell lower than J. S. Way & Co. Produce taken in exchange.

Williams has come down on the price of goods since gold has fallen to 145. He has reduced equally as much as the reduction in the price of gold. Call and buy before it goes up again, and he will convince you that he can sell lower than you have bought for some time.

Lenkersdorfer & Wesp are manufacturing the latest styles of furniture. We ask all why they go and buy old fashioned bedsteads, when they can get a beautiful cottage one for less money. Bureaus, Stands, Tables, Sofas, Centre-Tables, Chairs, Sociables, &c., lower now than ever.

Grant disaster in the Gold market, but Henning is making the matter all right by selling goods very low. He invites all to give him a call. He has been to Cincinnati and Dayton, and bought his goods at the lowest figures, which enables him to defy competition. Come on with your produce.

Avery & Deem are still ahead in selling Boots and Shoes. They are wholesaling to quite a number of country merchants. We are pleased to hear this for they are reliable and responsible men. We were well acquainted with them before they went to Union. You will find a good stock on hand.

Reeder, Weldy & Co. are now receiving a very large stock of goods, bought at panic prices; think of six pounds of Sugar for \$1, Prints for 15 cts. and everything else in proportion. Men need not say now that they cannot afford to buy their wives new dresses. They will be regarded as stingy if they do not do so immediately.

Tripp, Lawrence & Co. have just received a new stock of Groceries which they are selling very low. Their Notion Department is complete. They have a bakery connected with their grocery. We ask all to give this house a trial and you will not regret it. All kinds of produce received at the highest price for goods.

We call the attention of our readers to the advertisement in to-day's paper of Sumner & G. Kane, Piano dealers, Dayton, Ohio. We had the pleasure of making their acquaintance a few days ago at their finely fitted up rooms. Mr. O'Kane expects to be here next week, and will call on those who desire to purchase a first class musical instrument.

Notwithstanding muddy roads and all other impediments, those in need of the services of a Dentist still continue to find the office of Messrs. Ross & Frazer, who are doing a large amount of work in their line. Their office is east of the Public Square, over Tripp, Lawrence & Co.'s grocery.

CARD.
We have this day, March 29, 1865, associated with us in business W. M. Locke and J. W. Seane, Esqrs., under the name of Reeder, Weldy & Co.

By this association we are enabled to extend our business, greatly to the benefit of our numerous customers. We shall offer them the largest and most desirable stock of goods ever opened in this place, in a few days, which we will sell for unprecedented low prices. We return our thanks to our customers for their liberal patronage of No. 8, and would cordially ask a continuance of the same.

DYSPEPSIA, NERVOUSNESS, AND DEBILITY. DR. STRICKLAND'S TONIC.—We can recommend those suffering with Loss of Appetite, Indigestion, or Dyspepsia, Nervousness, and Nervous Debility, to use Strickland's Tonic. It is a vegetable preparation, free from alcoholic liquors; it strengthens the whole nervous system; it creates a good appetite, and is warranted to cure Dyspepsia and Nervous Debility.

For sale by Druggists generally, at \$1 per bottle. Prepared by Dr. A. Strickland, 6 East Fourth Street, Cincinnati, Ohio. 4

DIARRHCEA AND DYSENTERY.—We have examined a great number of letters from some of the most prominent citizens of Cincinnati and Covington, etc., speaking in the highest terms of Dr. Strickland's Anti-Cholera Mixture for the cure of diarrhoea and dysentery. The letters are too long to publish. Mr. Woods, of Covington, says he was pronounced incurable by the best doctors in Cincinnati, and one bottle of Dr. Strickland's Anti-Cholera Mixture effected a permanent cure, after suffering for months with the worst form of diarrhoea and dysentery.

Another says he was discharged from the United States service, after suffering in the hospital for eight months, as incurable, and as a last resource tried Strickland's Anti-Cholera Mixture; he got well directly, and has now entered the army again in good health. One man writes he has cured seven or eight very bad cases of diarrhoea and dysentery in the barracks he was in with one bottle of this valuable medicine. In fact we could fill half our paper with similar items from these letters. Why does not our Government secure this valuable preparation? Our army ought to be supplied with it. It is but a short time since one of our men lay in a very low condition at one of our Cincinnati hospitals; his wife was sent for; the doctors considered him a hopeless case. She, however, gave him Strickland's Anti-Cholera Mixture, and in three weeks he was able to return home with his wife to New Richmond, O. All these cases right at home speak for themselves. We hope all the soldiers will put a bottle of it in their knapsacks; it may save them or some of their comrades. It is for sale by Druggists, at 50 cents per bottle.

DR. D. H. SEELY & CO.,
Sole Proprietors,
OFFICE—MASONIC TEMPLE,
Room No. 11,
CHICAGO, ILLINOIS.

SYMPTOMS.
The symptoms of Catarrh as they generally appear are at first very slight. Persons find they have a cold, that they have frequent attacks, and are more sensitive to the changes of temperature. In this condition, the nose may be dry, or a slight discharge, thin an acid, afterward becoming thick and adhesive. As the disease becomes chronic, the discharges are increased in quantity and changed in quality; they are now thick and heavy, and are hawked and coughed off. The secretions are offensive, causing a bad breath; the voice is thick and nasal; the eyes are weak; the sense of smell is lessened or destroyed; deafness frequently takes place. Another important and common symptom of Catarrh is, that the person is obliged to clear his throat in the morning of a thick and slimy mucus, which has fallen down from the head during the night. When this takes place, the person may be sure that his disease is on its way to the lungs, and should lose no time in arresting it.

A Single Bottle will last a Month— to be used three times a day.

TESTIMONIALS.
From Hon. Thos. J. Turner, Ex-Member of Congress, from Illinois, late Speaker of Illinois House of Representatives, and Grand Master of A. F. and A. M. of the State of Illinois.

FREEPORT, Oct. 21, 1863.
DR. D. H. SEELY: Dear Sir—In reply to your notice of the 15th inst., I would say that I was severely afflicted with Catarrh for years, when I became acquainted with you and bought two bottles of your Liquid Catarrh Remedy. Before I had used one bottle I was sensibly relieved, and before the second bottle was finished, was completely cured. I can recommend to all afflicted with Catarrh.

Respectfully Yours,
THOS. J. TURNER.
